

OK Vets

We are lagging on and signing up for the reunion

Lets get registered at: shieldofthemekong.com

The reunion is in May

We are getting interest from other units that have not been represented before. So let's have a good turn out this year. It could be the last one, but I hope not

If we cant find someone else local to pickup the load of organizing and planning this thing, it will be my last time at it. I have done it 4 times now...

We have a lot of new members to the groups that have never been to it before. So let's talk it up and let them know what a great time we have had in the past. Excluding OB and his bout with the Ho Chi Minh revenge last time "LOL OB"

I even got a HUEY rides lined up this time. But if we don't have the numbers we will have to cancel that

So lets get going

The current Commander of the 1-13th, LTC Prickett and the Bde Commander Col Biland would love to see a big turn out. They are truly looking forward to having you here and meeting all of you!
